Profile Summary

A self-motivated and detail-oriented Data Analyst with hands-on experience in data cleaning, analysis, and visualization. Proficient in Python, SQL, and Power BI, with a strong foundation in data manipulation using libraries like Pandas and NumPy. Adept at uncovering actionable insights from complex datasets, demonstrated through internships and projects such as creating e-commerce sales dashboards and analyzing restaurant data. Passionate about leveraging data-driven solutions to support business growth and decision-making.

Education

Invertis University   2021 – 2025
B.Tech. - Computer Science & Engineering

SDRD SVM Inter College, Baheri, Bareilly   2018 – 2021
10th & 12th | UP Board

Internships

Cognifyz Technologies   June 2024 – July 2024
Intern - Data Analyst

- Processed and cleaned large datasets using Python and libraries such as Pandas and NumPy.
- Analyzed complex datasets to uncover key insights, supporting data-driven decision-making.
- Utilized tools like Jupyter Notebook and Google Colab for analysis and visualization.
- Delivered actionable insights to optimize business strategies and improve operational performance.

Projects

Sales Dashboard   **Technology:** Power BI
Created an interactive dashboard to visualize sales trends and performance.
View Project

Credit Card Financial Report   **Technology:** Python, Power BI
Performed analysis of credit card data using Pandas, NumPy, Matplotlib, and Seaborn.
View Project

Restaurant Data Analyst   **Technology:** Python, Power BI, SQL
Analyzed restaurant data to derive insights on customer preferences and operational efficiencies.
View Project

Key Skills

- **Programming Languages:** Python, SQL, Java, JavaScript, HTML, CSS, C
- **Libraries:** NumPy, Pandas, Matplotlib, Seaborn
- **Tools:** Power BI, Excel, Jupyter Notebook, Google Colab, GitHub, VS Code
- **Coursework:** Data Structures and Algorithms, Operating Systems, Computer Networks, Database Management Systems

Certifications

- **Data Analytics and Visualization:** Accenture North America View Credentials
- **30-Days Power BI Micro Course:** Learn More Pro View Credentials
- **30-Days Excel Crash Course:** Learn More Pro View Credentials
- **Empowering Business with Insights:** Tata Data Visualization View Credentials
